

Strand **3** **Grass-Roots
Kingdom Seeds &
Missional Communities**

Lead by Wendy Potts
Evangelism Co-ordinator

How do we bring the life-giving good news of Jesus to a mostly-indifferent and sometimes-hostile culture?

We will be reflecting on current research, thinking and timeless biblical truths in order to explore principles of growing missional communities in a post-Christian culture.

Each week there will be a simple practical take home skill to add to our “tool kit” and encouragement to persevere in the work of planting Kingdom seeds for the Father to grow.

Topics include: *Who is my neighbour and what do they believe? Key blockers and attractors for Aussies; Connecting, Engaging, & Conversational skills; Sharing Your Story, God’s Story & Jesus Stories; Gospel Entrepreneurialism & Missional Communities*

7:30-9:00pm Wednesday Nights- August 16, 23 & 30 at All Saints Austinmer

Strand **4** **Raising Teens &
Tweens in the Lord**

Lead by Paul Gaetjens
Assistant Minister

This is a primary responsibility and great privilege for Christian parents. It’s also a source of great anxiety as there is no set formula for guaranteed ‘success’ – if only there was.

However God has given us his Word and each other as we seek to raise our children in the Lord. This elective will focus on the 10yrs old → late teens age group.

This elective isn’t just for parents, but also grand-parents or aunts & uncles who want to play a role in raising their grandchildren, nieces or nephews in the Lord.

The topics will include: *Understanding their world – it’s life Jim but not as we know it; Discipling teens when they’re wondering or wandering; On being a grown up parent.*

Training Together- the body of Christ working out

In Ephesians 4 Paul speaks of different gifts God gives the church in order 'to prepare God's people for works of service, so that the body of Christ may be built up.' (v.12) We are encouraging each home group to pause during these 3 weeks each year to intentionally invest time into training, building, equipping and empowering each of us for the work "he has prepared for us to do." (Ephesians 2:10)

There are 4 excellent strands being offered. Just choose 1 strand for the 3 weeks. Each strand is designed to give you some concrete skills & knowledge for practical outcomes in our lives.

Strand 1 Messy Together

Lead by Bec Sng
Psychologist (Austi AM)

Most of you would know that for the last while I have been trying to work out how we can walk with each other in helpful ways during dark times. So here's the conclusion – it's messy! However, in talking to people I've heard some wonderful wisdom and great stories. So I hope to have a few nights of sharing our experiences of helping people with each other in the hopes we can learn from each other and feel more confident to walk alongside those who need us.

Strand 2 Engaging with Current Culture

Lead by Gill Davis
Communicator & Educator (Austi PM)

As the place of the church in secular culture has shifted, what changes in thinking and action do we need to make and what must we hold steadfast? What do we challenge and what do we let go and how do we discern the difference? This stream will provide one helpful framework to apply a Christian worldview to current issues like gender, religious fundamentalism and tolerance.
